MINOR'S SOCIAL SECURITY NUMBER	UTMA STATE (list state's law that governed the initial transfer)*		AGE OF TERMINATION** ²

"Minor" means an UTMA account owner (customer) who has not reached the age of termination (age the custodianship terminates, which is designated at the time of transfer and governed by state law). This means that depending on the applicable state, a minor could be older than 18 or 21.

Upon reaching the age of termination, the custodian must remove themselves as custodian (and their authority over the account) so that the UTMA account owner can complete a new application solely in their name and under their control. The custodian will no longer be able to act on the account after the minor reaches the age of termination. Please note, transfers to a minor are irrevocable. Additionally, at the age of termination, U.S. Bank Global Fund Services as transfer agent for Nicholas Funds reserves the right to restrict purchases and redemptions and reinvest any dividends and/or capital gains set to pay out in cash until the former minor completes a New Account Application.

*In the event that the custodian does not complete the "UTMA State" field above, the custodian hereby directs U.S. Bank to establish the UTMA state using the state from the Permanent Street Address provided in the Address section as the UTMA state. This designation shall permanently remain as the designated state for this account.

**In the event that the custodian does not complete the "Age of Termination" field above, the custodian hereby directs U.S. Bank to establish the account using the default age of termination for custodial property transferred by gift under the "UTMA State's" law.

¹If a full legal first name is not provided, a copy of a government issued document is required to accompany this application.

²Note that electing an age of termination beyond the default age, such as 25 if permissible for a particular state, may result in the loss of any annual exclusion for federal gift tax purposes. By entering an age of termination that is different than the state laws governing the gift or transfer, you represent and warrant that you have consulted with your tax and legal advisors on (i) the permissibility of the age selected under the governing state's law, and (ii) the state and federal tax consequences of the designated age of termination.

4 Cost Basis Method

The Cost Basis Method you elect applies to all covered shares acquired from January 1, 2012 forward and to all identically registered existing and future accounts you may establish, unless otherwise noted. The Cost Basis Method you select will determine the order in which shares are redeemed and how your cost basis information is calculated and subsequently reported to you and to the Internal Revenue Service (IRS). **Please consult your tax advisor to determine which Cost Basis Method best suits your specific situation.** If you do not elect a Cost Basis Method, your account will default to **Average Cost**.

Primary Method (Select only one)

- ☐ **Average Cost** – averages the purchase price of acquired shares
- ☐ **First In, First Out** – oldest shares are redeemed first
- ☐ **Last In, First Out** – newest shares are redeemed first
- ☐ **Low Cost** – least expensive shares are redeemed first
- ☐ **High Cost** – most expensive shares are redeemed first
- ☐ **Loss/Gain Utilization** – depletes shares with losses prior to shares with gains and short-term shares prior to long-term shares
- ☐ **Specific Lot Identification** – you must specify the share lots to be sold at the time of a redemption (This method requires you elect a Secondary Method below, which will be used for systematic redemptions and in the event the lots you designate for a redemption are unavailable.)

Secondary Method – applies only if Specific Lot Identification was elected as the Primary Method (Select only one)

- ☐ First In, First Out
- ☐ Last In, First Out
- ☐ Low Cost
